

Yuma County HEOC/JIC COVID-19 DAILY UPDATE

3:00 PM, MONDAY, March 30, 2020

*****CURRENT SITUATIONAL REPORT*****

Yuma County Public Health District Update

Yuma County Health Officials confirm 3 new cases of COVID-19 bringing total to 12 (twelve). Patients are currently in isolation and health officials are conducting contact investigations.

First confirmed case of COVID-19 confirmed in San Luis Rio Colorado, Sonora.

- Arizona currently has 1,157 confirmed cases of COVID-19
- Yuma County currently has 12 confirmed cases of COVID-19

Cases	12		
Gender	Female	3	25%
	Male	9	75%
Age Group	0-17	0	
	18-39	5	42 %
	40-59	2	16%
	60+	5	42%
Deaths		0	0%

The Arizona Department of Health Services (ADHS) has updated their COVID-19 Reporting Dashboard. The new information includes age and gender descriptions. You can access the information here: <https://azdhs.gov/>

Question of the Day: When does the new executive order take effect?

Governor Ducey issues New Executive Order "Stay Home, Stay Healthy, Stay Connected" that takes effect tomorrow March 31, 2020 at 5 pm.

Under the Executive Order, Arizonans shall limit their time away from their place of residence or property, except:

- To conduct or participate in essential activities, and/or;
- For employment, to volunteer or participate in essential functions; or
- To utilize any services or products provided by essential business services;
- And for employment if as a sole proprietor or family owned business, work is conducted in a separate office space from your home and the business is not open to serve the public

The Arizona Department of Health Services (ADHS) has updated the community transmission level of COVID-19 in Arizona to “widespread”. This means that the virus is present and circulating in communities across the state including Yuma County. We encourage all residents to take the necessary precautions including social distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others
- Practice social distancing, staying 6 feet away from others

JOINT INFORMATION CENTER (JIC) UPDATE

Questions from the public email established at: COVID@yumacountyaz.gov

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

AIRPORT UPDATE AT 6:00 PM: The inbound flights from Dallas at 7:34 pm and Phoenix at 10:56 pm are still scheduled to arrive. The schedule for the remainder of the week is tentative at this time as the airlines work with the major hub airports. PLEASE NOTE THAT if you are a ticket holder the airlines will contact you with any changes.

Currently, there are **no travel restrictions** to or from any nonstop destination served by American Airlines at Yuma International Airport but travelers should know there are more flight cancellations. Additionally, in response to reservations demand, airlines are adjusting their schedules for the future. Effective April 7th frequencies to/from Phoenix are reduced from 5 to 3 flights most days through at least May 31st. Airlines are relaxing rules regarding change fees and cancellations. Many changes can be done online by passengers who purchased their tickets directly from their airline. Passengers who booked their flights elsewhere should seek to make changes where they purchased their tickets. Airlines report their phone reservations systems are being overwhelmed resulting in extraordinarily long wait times. They ask that only passengers traveling within the next 72 hours call. To make changes, please visit their website:

<https://www.aa.com/i18n/travel-info/coronavirus-updates.jsp>

The following flight schedule **is tentative and subject to change:**
