Note 1 - Summary of Significant Accounting Policies

The Annual Expenditure Limitation Report (AELR) is presented on the basis of accounting prescribed by the *Uniform Expenditure Reporting System (UERS)*, as required by Arizona Revised Statutes 41-1279.07, which excludes expenditures, expenses, or deductions of certain revenues specified in the Arizona Constitution, Article IX, Section 20 from the total expenditures, expenses, or deductions reported in the fund financial statements.

In accordance with the UERS requirements, a note to the AELR is presented below for any exclusion claimed on Part II and each subtraction or addition in the Reconciliation that cannot be traced directly to an amount reported in the fund financial statements. All references to financial statement amounts in the following notes refer to the Statement of Revenues, Expenditures, and Changes in Fund Balances for the Governmental Funds, Statement of Revenues, Expenses, and Changes in Fund Net Assets for the Proprietary Funds, Statement of Cash Flows for the Proprietary Funds, and the Statement of Changes in Fiduciary Net Assets for the Fiduciary Funds.

Note 2 - Debt Service on Long-term Obligations

The exclusion claimed for debt service requirements on other long-term obligations in the Governmental Funds consists of principal retirement and interest expense as reported in the Capital Improvement Program Certificates of Participation Fund.

Note 3 - Trustee or Custodian

The exclusion claimed for trustee or custodian in the Governmental Funds consists of \$1,325,100 in contributions by the County to the Arizona Health Care Cost Containment System for acute care and \$15,680 in the Anti-Racketeering Fund for forfeitures received from the State. In the Fiduciary Funds, the exclusion consists of \$494,909,356 in distributions to investment pool participants.

Note 4 - Federal Grants and Aid, State of Arizona, and Highway User Revenue Fund Exclusion

The following schedule presents revenues from which exclusions have been claimed for federal grants and aid, amounts received from the State of Arizona, and highway user revenues in the Governmental Funds.

Description	Amount
Grants and aid from the federal government	\$14,114,359
Amounts received from the State of Arizona	11,051,640
Highway user revenues in excess of those received in fiscal year 1979-80	8,387,833
Other revenues (nonexcludable)	25,238,788
Total intergovernmental revenues as reported in the fund financial statements	<u>\$58,792,620</u>

Note 5 - Quasi-external Interfund Transactions

The amount reported as quasi-external interfund transactions in the internal service funds consists of employer and employees' medical contributions for health and other insurance which are reported as health service claims in the fund financial statements.

Note 6 - Claims Incurred but Not Reported

The subtraction of \$917,000 for claims incurred but not reported consists of the estimated costs of claims incurred and expensed in the current year but not yet paid in the Internal Service Funds.

Note 7 - Separate Legal Entities

The subtraction of \$33,481,522 for separate legal entities established under Arizona Revised Statutes consists of expenditures of special assessment and municipal property corporations included within the County's reporting entity but not included in the Economic Estimates Commission base limit calculations, and are reported in the Governmental Funds category in the fund financial statements:

Special Assessment Districts	
General government	\$ 629,884
Capital Outlay	42,730

Total	\$ 32,656,729

Total health expenditures of the Health Services District as shown above have been reduced by \$2,232,527 in expenditures of grants and aid received from the federal government, which are reported in Note 4. Furthermore, the expenditures above are also reduced by the Continuation of contribution amount of \$786,898.

Note 8 - Long-term Care Contributions

The subtraction for long-term care contributions withheld by the State Treasurer consists of transaction privilege taxes withheld by the State Treasurer to meet the County's share of long-term care costs that was reported as a revenue and an offsetting expenditure in the County's Governmental Funds. Consequently, this expenditure has been subtracted on the Reconciliation. The following schedule reflects the presentation of these payments as welfare expenditures in the General Fund.

Note 9 - Claims Paid in Current Year but Reported as Expenses Incurred but Not Reported in Previous Years

The addition of \$1,081,000 for claims paid in the current year, but reported as expenses incurred but not reported in previous years, consists of cash payments in the current year for claims recognized as an expense in previous years in the Internal Service Funds.

Note 10 - Prior Years Carryforward

Prior years carryforward consists of constitutionally excludable highway user revenues in excess of those received in fiscal year 1979-80 of \$6,032,922, that were unexpended in the year of receipt, that have been accumulated and were expended in the current year.

Note 11 - Amounts Accumulated for Capital Project

On September 12, 2000, the qualified voters of the County approved the levy and accumulation of a transaction privilege tax to be used to provide monies to pay the capital costs of certain capital projects. An exclusion of \$1,023,439 is being claimed relating to the expenditure of these accumulated monies in the Capital Improvements Fund.
