

2009 International Energy Conservation Code (IECC) Amendments

Chapter 1 Administration

101.1 Title. Amend first sentence to read; “This code shall be known as the *International Energy Conservation Code* of **City of Yuma**, and shall be cited as such”

Section 101.5.2 Low energy buildings. Add a third exception to section, as follows:

3. Warehouse and storage portions of buildings in Groups S-1, S-2, and U occupancies that are not designed as fully conditioned space.

Section 102.1 General. Amend the term “*code official*” as used in this section to “*building official*”.

Create Section 102.1.1. Amend all sections of this code that reference the “*code official*” by replacing to read the “*building official*”.

Add new section, “**107.2.1. Plan review fees.** When submittal documents are required by Section 103.1, a plan review fee shall be paid at the time of submitting the submittal documents for plan review. Said plan review fee shall be 65 percent of the building permit fee as shown in Table 1-A.”

The plan review fees specified in this section are separate fees and are in addition to the permit fees.

When submittal documents are incomplete or changed so as to require additional plan review, an additional plan review fee shall be charged at the rate shown in Table 1-A.”

Section 107.3 (cont...)

Add the following to Section 107.3 Work commencing before permit issuance. “An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then or subsequently issued. The investigation fee shall be determined by the *building official*, based on the circumstances, nature, and severity of the infraction. The minimum investigation fee shall be \$50.00 and the maximum shall be an amount up to the same as the fee set forth in Table 1-A.”

Section 107.5 Refunds. Amend to read; “The *building official* shall authorize the refunding of fees as follows:

1. The full amount of any fee paid hereunder that was erroneously paid or collected.
2. Not more than 80 percent of the permit fee paid when no work has been done under a permit issued in accordance with this code.
3. Not more than 80 percent of the plan review fee paid when an application for a permit for which a plan review fee has been paid is withdrawn or canceled before any plan review effort has been expended.

The *building official* shall not authorize the refunding of any fee paid except upon written application filed by the original permittee not later than 180 days after the date of fee payment.”

Section 108.4 Failure to comply. Amend to read; “Any person who shall continue any work after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or unsafe condition, **shall be subject to the penalty and fine described in Section ___ of this ordinance.**”

Add the following to Section 109.1 General. “The membership of the Building Advisory Board, as prescribed in Section 150-175 of the Yuma City Code, will be the Board of Appeals.”

Delete Section 109.3 Qualifications.

Section [A] 114.4 Violation penalties. Amend to read; “Any person who violates a provision of this code or fails to comply with any of the requirements thereof or who erects, constructs, alters or repairs a building or structure in violation of the *approved construction documents* or directive of the *building official*, or of a *permit* or certificate issued under the provisions of this code, **shall be subject to the penalty and fine described in Section ___ of this ordinance.**”

Chapter 2 Definitions

Section 202 GENERAL DEFINITIONS. Amend the term “*code official*” to “*building official*”.

Chapter 4 Residential Energy Efficiency

Section 401.1 Scope. Amend to read; “This chapter applies to *residential buildings as defined in Section 202. Energy efficiency provisions for Group R-3 One-and Two-Family Dwellings are contained in the International Residential Code.*”

Chapter 5 Commercial Energy Efficiency

Section 504.7.3 Pool Covers. Add second exception to section as follows; “Pools utilizing variable speed pump motors.”
