The State of Arizona adopts its annual budget by June 30th. With the high impacts that the State budget could potentially have on Yuma County this year, the Budget Review Team (BRT) and departments may need some time to analyze in what area and to what extent the County is impacted by the State budget and legislative sessions. Subsequently, the Board of Supervisors may need to make further policy and financial decisions in response to the State budget.

The "Tentative" budget adoption is scheduled for May 18th, 2015. A combined public hearing on the Budget and the Truth-in-Taxation hearing (if needed) is scheduled on June 15th, 2015. After receiving public input from this public hearing, the Board can take action with "Final" Budget Adoption on June 15th, 2015. The County then will need to wait until the State adopts its budget (by June 30th) to determine if any adjustments are required to the County budget.
