**Permanent Early Voting Request**

To Yuma County Voter:

Any registered voter may request to be included on the “Permanent Early Voting List” in order to automatically receive an early ballot by mail, for all elections they are eligible to participate in, that are governed by state law. In order to be included on the “Permanent Early Voting List”, the voter must make a written request specifically asking that their name be added to the permanent list. The request must include the voter’s name, residence address, mailing address within the county you reside, date of birth and your signature.

The voter will remain on this list until the voter’s registration is cancelled, moved to inactive status, or until the voter requests in writing to be removed from the list. Removal requests must include: voter’s name, residence address, date of birth, and signature. A voter’s failure to vote and return an early ballot does not remove the voter from the “Permanent Early Voting List”.

Eligible voters added to the “Permanent Early Voting List” will receive a notice, not less than one hundred twenty days (120) days prior to any election in March or September. The notice will include the dates of the elections that the notice is regarding, the dates that the voter’s ballot is expected to be mailed (26 days prior to any given election) and the address where the ballot will be mailed to. The notice will also include a means for the voter to: change their mailing address, update their residence address, and/or allow for the voter to request that the ballot not be sent for the upcoming election or elections indicated on the notice. If the election is a partisan (political party specific) open primary election and the voter is not registered as a member of one of the political parties participating in the election, the notice will include information for the voter on how to select a specific political party ballot to receive.
