VERSION EN ESPAÑOL
DISPONIBLE

**Yuma County Employees use of cellular telephones
and personal data devices while operating a
county vehicle shall be subject to the following:**

(a) Employees shall obey all federal, state, and/or local laws regarding the use of cellular telephones and personal data devices while operating a vehicle.

(b) Employees shall not use cellular telephones or personal data devices while driving either their personal or County vehicle when said vehicle is being used for County business.

(c) Employees needing to use their cellular telephones or personal data devices shall locate a lawfully designated area to park prior to initiating use.

(d) Law enforcement personnel may use their cellular telephones while driving provided that such use is necessary to the efficient performance of their law enforcement duties and such use does not violate federal, state, and/or local laws.
