FROM: Yuma County Facilities Management  
SUBJECT: PROJECT NO. /NAME: **Photovoltaic System Project #YC2019-01**

## ADDENDUM NO.

In accordance with the R.F.Q. documents "Invitation for Proposal," and General Conditions, the following revisions to the plans and specifications shall become a part of the contract documents and the bidder shall acknowledge receipt of this "Addendum."

### ADDITIONS TO THE PROJECT SPECIFICATIONS:

- Q: Is this a Davis-Bacon project?
- A: No, this is not a Davis-Bacon project.
- Q: The RFQ document references Exhibits A and B, but they do not seem to be part of the document. Are they available?
- A: Exhibit A (site plans) will be posted to the County web page and distributed to plan rooms along with this Addendum. There is no Exhibit B.
- Q: Are there existing plans for the project and if so, are they available?
- A: Yes, plans are available but with limited details. They will be made available for review only at the Facilities Management Bldg-C, 2725 Ave B between the hours of 7am until 12pm, Monday thru Friday. Please e-mail for an appointment.
- Q: Can the site tour be extended, from Friday, May 3?
- A: Yes, additional site tours will be conducted on Monday, May 6, starting at 9:00 AM at the offices of Facilities Management, located at 2725 S. Avenue B, Yuma.
