

YUMA COUNTY HOUSING REHABILITATION PROGRAM

Need Help Fixing Your Home?

The Yuma County Housing Rehabilitation Program assists eligible owner-occupied family households to improve the livability of a home for seniors and low income households living in Yuma County (City of Yuma residents must apply through the City of Yuma Neighborhood Services). The Program helps to promote safe, decent and affordable housing, as well as, eliminate substandard living conditions and prolong the useful life of the housing stock by focusing on repairs that target overdue maintenance issues, weatherization, energy savings and hazardous living conditions. For eligibility information or program application, please contact us to set up an appointment.
