PROCEDURE FOR AN INTERPRETATION

1. **Purpose**

An interpretation of the zoning ordinance can be requested when the meaning of any word, phrase or section is in doubt, when there is dispute between the appellant and enforcing officer, or when the location of a district boundary is in doubt. An appeal to the Board of Adjustment may be taken by any person who feels that there is error or doubt in the interpretation of the ordinance.

2. **How to Apply**

Applicant or his designated agent must come to the Department of Development Services Permitting & Customer Service Building at 2351 West 26th Street, Yuma, Arizona. Planning staff will provide the appropriate forms and help identify the information that is required.

Information that is **required** to begin the application process includes the following:

- Name, address and phone number of applicant and agent
- Signature of the person making application, including the selection of the appropriate box showing representation
- Selection of appropriate box designating whether the request is an interpretation of the meaning of a word/phrase/Section of the Ordinance or if the request concerns a Zoning District boundary line dispute

- Reasoning for requesting the interpretation or boundary line dispute, stating specifically what is being requested and why it is needed

Additional **optional** information for application:

Once the complete application, support information and fee is submitted, the interpretation request is scheduled for the next available public hearing of the Board of Adjustment. The applicant will be notified in writing of the meeting time and date. Staff reports and recommendations will be made available to the owner/agent prior to the meeting date.

The Board of Adjustment consists of five members appointed by the Board of Supervisors. At the hearing, the Board of Adjustment considers the reports and recommendations of staff and listens to any public input from any concerned parties. The applicant or his agent must be present at the meeting to hear the proceedings and to answer any questions concerning the interpretation dispute. The Board of Adjustment then votes to either: agree with the enforcing officer; agree with the applicant; or continue the request to a future hearing.

6. Appeals
