**New Data now on Arizona Department of Health Services' COVID-19 Data Dashboard**

Changes to Arizona Department of Health Services' dashboard went into effect yesterday afternoon. The dashboard now has case counts broken down by zip code and more detailed demographic information, including age, gender, and race or ethnicity, if known. In zip codes where there are between one and ten COVID-19 positive individuals who have been identified, the dashboard will show a numerical range, either 1-5 or 6-10, rather than an exact case count. This is to preserve anonymity within the data and protect the private health information of these patients. Data about the capacity of our healthcare system in Arizona has also been added to the dashboard. This includes the capacity and current utilization of emergency room beds, inpatient beds, ICU beds, and ventilators in hospitals throughout Arizona, but is not broken down by hospital.

**Question of the Day: What does widespread community transmission, or community spread mean?**

- Yuma County health officials confirm “community spread” throughout our county. Community spread means spread of an illness for which the source of infection is unknown. Meaning the person did not have relevant travel history or exposure to another known patient with COVID-19. The change in status confirms that the COVID-19 virus is actively circulating in Yuma County and we will begin to see a rise in locally acquired infections. Therefore it’s important that we all continue to do our part to prevent the spread of infection in our community.

We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others
- Practice physical distancing, staying 6 feet away from others

**JOINT INFORMATION CENTER (JIC) UPDATE**

**NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.**

Questions from the public can be emailed to: [COVID@yumacountyaz.gov](mailto:COVID@yumacountyaz.gov)

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

### **Arizona Department of Health Services – Communications Division**

Beginning Sunday, April 12 at noon, The AzDHS [COVID-19 in Arizona webpage](#) will include the following #COVID19 information: race and ethnicity on confirmed cases, location of confirmed cases by zip code, ages & gender of related deaths, number of hospital beds & ICU beds available, & other data points.

### **City of Yuma**

Remaining aligned with the "Stay Home, Stay Healthy, Stay Connected" order from Arizona Governor Doug Ducey, the City of Yuma will extend closure of public buildings through May 3.

The Household Hazardous Waste collection event originally scheduled for April has been cancelled; the next one will be held in July.

### **Marine Corps Air Station Yuma**

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

## **YUMA PROVING GROUND**

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- \*YPG residents, including Travel Camp residents
- \* YPG employees
- \* Civilian contractors who work at YPG
- \* Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

## **YUMA INTERNATIONAL AIRPORT**

Airports, Rental Cars and Airlines are considered essential businesses. There are no travel restrictions to or from any nonstop destination served by American Airlines at Yuma International Airport. American Airlines may adjust their flight schedules and will contact ticketed passengers if a change is required.

Everyone's health and safety is important to the Yuma International Airport team. Therefore we have placed hot buttons in the upper left corner on [Yuma International Airport website](#), with COVID information specific to air travel and COVID updates from Yuma County.

Brewers is open from 11:00 am to 9:00 pm for pick up, curbside pick-up and deliveries from their airport location East to 9E.

Hertz, Avis and Budget rental car agencies at the airport are open from 8:00 am to 5:00 pm daily. Enterprise is available by appointment.

The following flight schedule is tentative and subject to change. The airline will contact ticketed passengers if there is a change to your travel itinerary.

### 2 Daily Departing flights

0500 AM - DFW - April 9-April 30
