 - Hospitalization
 - Hospital COVID-like & Influenza-like illness Surveillance
 - Laboratory Testing
 - Congregate Settings with Positive COVID-19 Cases
 - Hospital Bed Usage & Availability
 - Ventilator Usage & Availability
 - Hospital COVID-19 Specific Metrics

Question of the Day: What is the Arizona Surge Line that Yuma Regional Medical Center is using to transfer patients? (SOURCE: Arizona Department of Health Services)

- The Arizona Surge Line facilitates the inter-facility transfer of patients during an emergency hospital or healthcare facility surge.
- It was created to optimize Arizona’s patient management through the COVID-19 pandemic, but could be applied to any threat that would lead to a healthcare surge.
- The mission of the call line is to work with Arizona health care facilities to do the following, with efficiency, consistency and ethical consideration:

- Expedite transfer of patients with presumed or confirmed COVID-19 to a higher level of care, when indicated and bed availability exists
- Expedite transfer of patients with presumed or confirmed COVID-19 to a lower level of care, when indicated and bed availability exists, in order to efficiently utilize bed space at all facilities
- Equalize and optimize patient numbers across hospital facilities
- Optimize clinician time spent doing patient care
- Support clinicians managing COVID-19 and end-of-life care

Yuma County health officials confirm “community spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

JOINT INFORMATION CENTER (JIC) UPDATE

NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.

Questions from the public can be emailed to: COVID@yumacountyaz.gov

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

YUMA INTERNATIONAL AIRPORT

Everyone’s health and safety is important to the Yuma International Airport team. Therefore we have placed hot buttons in the upper left corner on [Yuma International Airport website](#), with COVID information specific to air travel and COVID updates from Yuma County.

Brewers Restaurant & Sports Bar at the airport is open from 11:00 am to 9:00 pm for dine-in seating (seating in accordance with CDC guidance), pick up, curbside pick-up and deliveries from their airport location East to 9E.

Beginning May 11th, American Airlines will require passengers to wear face coverings while on the aircraft. The airline asks passengers to bring their own face coverings.

The following May flight schedule is tentative and subject to change. The airline will

contact ticketed passengers if there is a change to your travel itinerary.

Departing flights from Yuma:

6:40 AM - DFW - May 30-31

8:00 AM - PHX - May 31

1:36 PM - PHX - May 31

Daily Arriving Flights to Yuma:

11:32 AM - PHX - May 31

4:05 PM - PHX - May 29, 31

8:04 PM - DFW - May 29-31

Marine Corps Air Station Yuma

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

YUMA PROVING GROUND

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- *YPG residents, including Travel Camp residents
- * YPG employees
- * Civilian contractors who work at YPG
- * Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

PUBLIC is urged to follow on [FACEBOOK](#) & [TWITTER](#) as well as sign up for [Yuma County eNOTIFICATIONS](#)

DON'T FORGET!!!! THE JOINT INFORMATION CENTER REMINDS EVERYONE that while you're at home REMEMBER it is easy to respond to the [CENSUS ONLINE!!!!](#)
