  - Hospital Bed Usage & Availability
  - Ventilator Usage & Availability
  - Hospital COVID-19 Specific Metrics

**Question of the Day: How do I wash my face covering and how often do I need to wash it? (Source: Centers for Disease Control and Prevention)**

Cloth face coverings are an additional step to help slow the spread of COVID-19 when combined with [every day preventive actions](#) and [social distancing](#) in public settings.

Cloth face coverings should be washed after each use. It is important to always [remove face coverings correctly](#) and [wash your hands](#) after handling or touching a used face covering.

Washing you face covering:

- Washing machine
  - You can include your face covering with your regular laundry.
  - Use regular laundry detergent and the warmest appropriate water setting for the cloth used to make the face covering.
- Washing by hand
  - Prepare a bleach solution by mixing:
    - 5 tablespoons (1/3rd cup) household bleach per gallon of room temperature water or
    - 4 teaspoons household bleach per quart of room temperature water

- Check the label to see if your bleach is intended for disinfection. Some bleach products, such as those designed for safe use on colored clothing, may not be suitable for disinfection. Ensure the bleach product is not past its expiration date. Never mix household bleach with ammonia or any other cleanser.
- Soak the face covering in the bleach solution for 5 minutes.
- Rinse thoroughly with cool or room temperature water.

Drying your face covering:

- Dryer
  - Use the highest heat setting and leave in the dryer until completely dry.
- Air dry
  - Lay flat and allow to completely dry. If possible, place the cloth face covering in direct sunlight.

Yuma County health officials confirm “community spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

## **JOINT INFORMATION CENTER (JIC) UPDATE**

**NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.**

Questions from the public can be emailed to: [COVID@yumacountyaz.gov](mailto:COVID@yumacountyaz.gov)

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

### **CITY OF YUMA**

City facilities, including City Hall, remain closed to the general public. City staff remains available to customers via telephone. All City staff members have continued to remain active throughout the pandemic, and all City services continue to be provided, even if some have been redirected to an electronic or remote-based environment. The focus right now for the City is helping to reduce the number of positive cases in the community while ensuring that the critical services the City provides continues without interruption.

## **YUMA INTERNATIONAL AIRPORT**

Everyone's health and safety is important to the Yuma International Airport team. Therefore we have placed hot buttons in the upper left corner on [Yuma International Airport website](#), with COVID information specific to air travel and COVID updates from Yuma County.

Brewers Restaurant & Sports Bar at the airport is open from 11:00 am to 9:00 pm for dine-in seating (seating in accordance with CDC guidance), pick up, curbside pick-up and deliveries from their airport location East to 9E

Beginning May 11th, American Airlines will require passengers to wear face masks while on the aircraft.

The following June flight schedule is tentative and subject to change. The airline will contact ticketed passengers if there is a change to your travel itinerary.

Departing flights from Yuma:

6:40 AM - DFW - June 26-30  
8:00 AM - PHX - June 26-30  
2:36 PM - PHX - June 26-30

Daily Arriving Flights to Yuma

11:34 AM - PHX - June 26-30  
5:05 PM - PHX - June 25-30  
7:52 PM - PHX - June 25-30

## **Marine Corps Air Station Yuma**

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

## YUMA PROVING GROUND

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- \*YPG residents, including Travel Camp residents
- \* YPG employees
- \* Civilian contractors who work at YPG
- \* Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

PUBLIC is urged to follow on [FACEBOOK](#) & [TWITTER](#) as well as sign up for [Yuma County eNOTIFICATIONS](#)

DON'T FORGET!!!! THE JOINT INFORMATION CENTER REMINDS EVERYONE that while you're at home REMEMBER it is easy to respond to the [CENSUS ONLINE!!!!](#)
