**Question of the Day: What is the purpose of the Yuma County COVID-19 face cover information line and when will it become operational?**

- Yuma County has announced a new county-wide COVID-19 Face Cover Information Line and email to serve the unincorporated areas in Yuma County. The information line is administered by the County Administrator's Office and will offer an entry point to field questions and concerns from County residents, within the unincorporated portions, about Face Covers/Masks. As described in the recent proclamation issued by the Chairman of the Board, the information line has been designed to help educate the public on questions surrounding the wearing of face covers and moving about the county while wearing them.
- As of today, operators will respond to calls from 8:00 a.m. to 5:00 p.m., Monday – Friday, along with emails to the address below.
  - FACE COVER INFO LINE: 928-373-1180 EMAIL: [mask@yumacountyaz.gov](mailto:mask@yumacountyaz.gov)
- On June 24th, the Chairman of the Yuma County Board of Supervisors issued an amended proclamation. Based on the risk of exposure to the COVID-19 virus faced by the citizens of Yuma County, the proclamation asks the residents within the unincorporated areas of Yuma County to wear a face cover/mask with some basic caveats for young children and those with medical conditions.
- Residents, as well as visitors, in Yuma County bear a responsibility to assist the county in its efforts to reduce the spread of COVID-19. Specifically, the proclamation suggests that all customers and visitors to businesses wear face coverings to provide additional protection for employees and customers alike. It is up to individual businesses to establish the protocols for their establishments. Businesses may refuse service to anyone not wearing a face covering.
- Businesses must ensure they are aware of and comply with all orders related to COVID-19, at the state, county, and city levels.

Yuma County health officials confirm “community spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

### **Marine Corps Air Station Yuma**

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

### **YUMA PROVING GROUND**
