 - Ventilator Usage & Availability
 - Hospital COVID-19 Specific Metrics

Question of the Day: It may be difficult for individuals who are most at risk to get access to face coverings. Are there any services that provide free face coverings to vulnerable populations? (Source: Arizona Department of Health Services)

- It is important that every Arizonan does their part to prevent the spread of COVID-19, which includes wearing a cloth face mask whenever you are in public, washing your hands frequently, and maintaining physical distance from others.
- To ensure every Arizonan has access to face masks, Arizona Department of Health Services (ADHS) has partnered with Hanes to provide free [face masks](#) to Arizona's most vulnerable populations.
- We encourage anyone who meets this criteria or may not be able to purchase a mask to place an order below. Each order will provide 5 washable, reusable cloth face masks, one order per household. We intend to provide cloth face masks to individuals 65 years and older and other identified vulnerable populations.
- If you have questions about ordering or for information about how this program works, visit the ADHS [FAQs page](#). For questions about your order, or the product itself, please contact Hanes at 1-800-503-6698.
- *To access the face mask registration form [click here](#).*

Yuma County health officials confirm “community spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.

- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

JOINT INFORMATION CENTER (JIC) UPDATE

NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.

Questions from the public can be emailed to: COVID@yumacountyaz.gov

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

Yuma Regional Medical Center

As the rise in Covid-19 cases continue, blood donations are needed more than ever! Yuma Regional Medical Center has partnered with Vitalant and the City of Yuma to host an expanded blood drive on July 16 and 17 to meet the current need.

Per Vitalant, on June 1, as an added service for our donors, Vitalant began testing all completed blood donations for antibodies to SARS-Cov-2, the coronavirus that causes COVID-19. This antibody test does NOT test for the current presence of COVID-19 disease.

All donors must wear a mask or face covering. Advance appointments are required to help maintain social distancing.

Visit [BloodHero.com](https://www.bloodhero.com) (Sponsor Code: yumaregional) or contact Elizabeth Hammonds at 928-336-1105 or volunteerservices@yumaregional.org to register.

CITY OF YUMA

City facilities, including City Hall, remain closed to the general public. City staff remains available to customers via telephone. All City staff members have continued to remain active throughout the pandemic, and all City services continue to be provided, even if some have been redirected to an electronic or remote-based environment. The focus right now for the City is helping to reduce the number of positive cases in the community while ensuring that the critical services the City provides continues without interruption.

YUMA INTERNATIONAL AIRPORT

Everyone's health and safety is important to the Yuma International Airport team. Therefore we have placed hot buttons in the upper left corner on [Yuma International Airport website](#), with COVID information specific to air travel and COVID updates from Yuma County.

Brewers Restaurant & Sports Bar at the airport is open from 11:00 am to 9:00 pm for dine-in seating (seating in accordance with CDC guidance), pick up, curbside pick-up and deliveries from their airport location East to 9E

Beginning May 11th, American Airlines will require passengers to wear face masks while on the aircraft.

The following July flight schedule may be subject to change. The airline will contact ticketed passengers if there is a change to your travel itinerary.

Departing flights from Yuma:

6:30 AM - DFW - July 23-31

2:22 PM - PHX - July 23-31

Daily Arriving Flights to Yuma

11:00 AM - PHX - July 23-31

7:53 PM - DFW – July 22-31

Marine Corps Air Station Yuma

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

YUMA PROVING GROUND

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- *YPG residents, including Travel Camp residents
- * YPG employees
- * Civilian contractors who work at YPG

* Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

PUBLIC is urged to follow on [FACEBOOK](#) & [TWITTER](#) as well as sign up for [Yuma County eNOTIFICATIONS](#)

DON'T FORGET!!!! THE JOINT INFORMATION CENTER REMINDS EVERYONE that while you're at home REMEMBER it is easy to respond to the [CENSUS ONLINE!!!!](#)
