  - Hospital COVID-like & Influenza-like illness Surveillance
  - Laboratory Testing
  - Congregate Settings with Positive COVID-19 Cases
  - Hospital Bed Usage & Availability
  - Ventilator Usage & Availability
  - Hospital COVID-19 Specific Metrics

**Question of the Day: How effective are alternative disinfection methods, such as Ultrasonic Waves, high intensity UV radiation, and LED blue light?**

- The efficacy of these disinfection methods against the virus that causes COVID-19 is not known. EPA only recommends use of the surface disinfectants identified [here](#) against the virus that causes COVID-19.
- EPA does not routinely review the safety or efficacy of pesticidal devices, such as UV lights, LED lights, or ultrasonic devices. Therefore, EPA cannot confirm whether, or under what circumstances, such products might be effective against the spread of COVID-19.
- Surfaces frequently touched by multiple people, such as door handles, bathroom surfaces, and handrails, should be cleaned with soap and water or another detergent at least daily when facilities are in use. More frequent cleaning and disinfection may be required based on level of use.
- For more information on cleaning and disinfecting [click here](#)

Yuma County health officials confirm “community spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

## JOINT INFORMATION CENTER (JIC) UPDATE

**NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.**

Questions from the public can be emailed to: [COVID@yumacountyaz.gov](mailto:COVID@yumacountyaz.gov)

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

### **CITY OF YUMA**

City facilities, including City Hall, remain closed to the general public. City staff remains available to customers via telephone. All City staff members have continued to remain active throughout the pandemic, and all City services continue to be provided, even if some have been redirected to an electronic or remote-based environment. The focus right now for the City is helping to reduce the number of positive cases in the community while ensuring that the critical services the City provides continues without interruption.

### **YUMA INTERNATIONAL AIRPORT**

Everyone's health and safety is important to the Yuma International Airport team. Therefore we have placed hot buttons in the upper left corner on [Yuma International Airport website](#), with COVID information specific to air travel and COVID updates from Yuma County.

Brewers Restaurant & Sports Bar at the airport is open from 11:00 am to 9:00 pm for dine-in seating (seating in accordance with CDC guidance), pick up, curbside pick-up and deliveries from their airport location East to 9E

Beginning May 11th, American Airlines will require passengers to wear face masks while on the aircraft.

The following July flight schedule may be subject to change. The airline will contact ticketed passengers if there is a change to your travel itinerary.

Departing flights from Yuma:

6:30 AM - DFW - July 28-31  
2:22 PM - PHX - July 28-31

Daily Arriving Flights to Yuma

11:00 AM - PHX - July 28-31  
7:53 PM - DFW – July 27-31

### **Marine Corps Air Station Yuma**

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

### **YUMA PROVING GROUND**

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- \*YPG residents, including Travel Camp residents
- \* YPG employees
- \* Civilian contractors who work at YPG
- \* Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

PUBLIC is urged to follow on [FACEBOOK](#) & [TWITTER](#) as well as sign up for [Yuma County eNOTIFICATIONS](#)

DON'T FORGET!!!! THE JOINT INFORMATION CENTER REMINDS EVERYONE that while you're at home REMEMBER it is easy to respond to the [CENSUS ONLINE!!!!](#)
