

Yuma County HEOC/JIC COVID-19 DAILY UPDATE

3:00 PM, TUESDAY, AUGUST 11, 2020

*****CURRENT SITUATIONAL REPORT*****

Yuma County Public Health District Update

Yuma County Health Officials confirm 29 new cases of COVID-19 and 4 new deaths, bringing the total cases to 11,653, and total deaths to 290 (**see note below**). Health officials are conducting contact investigations.

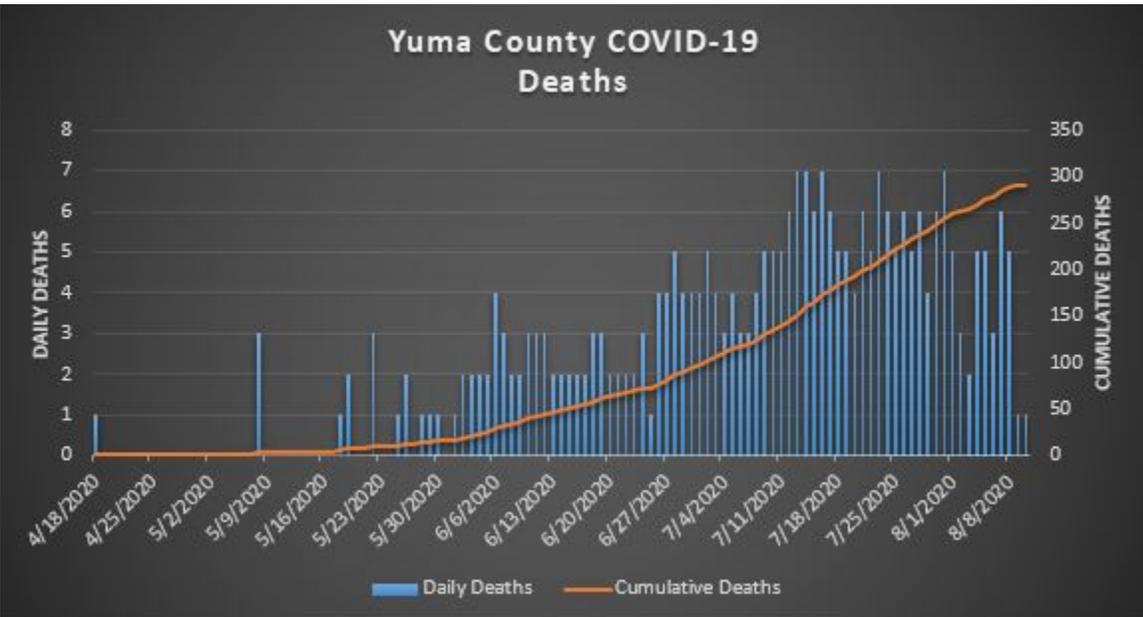

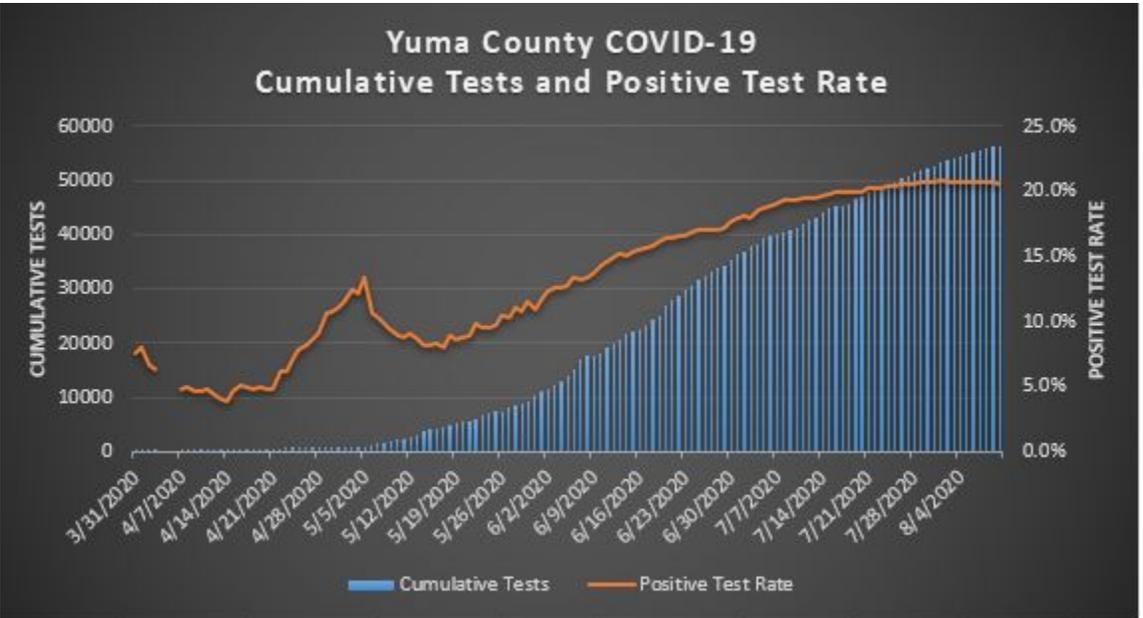

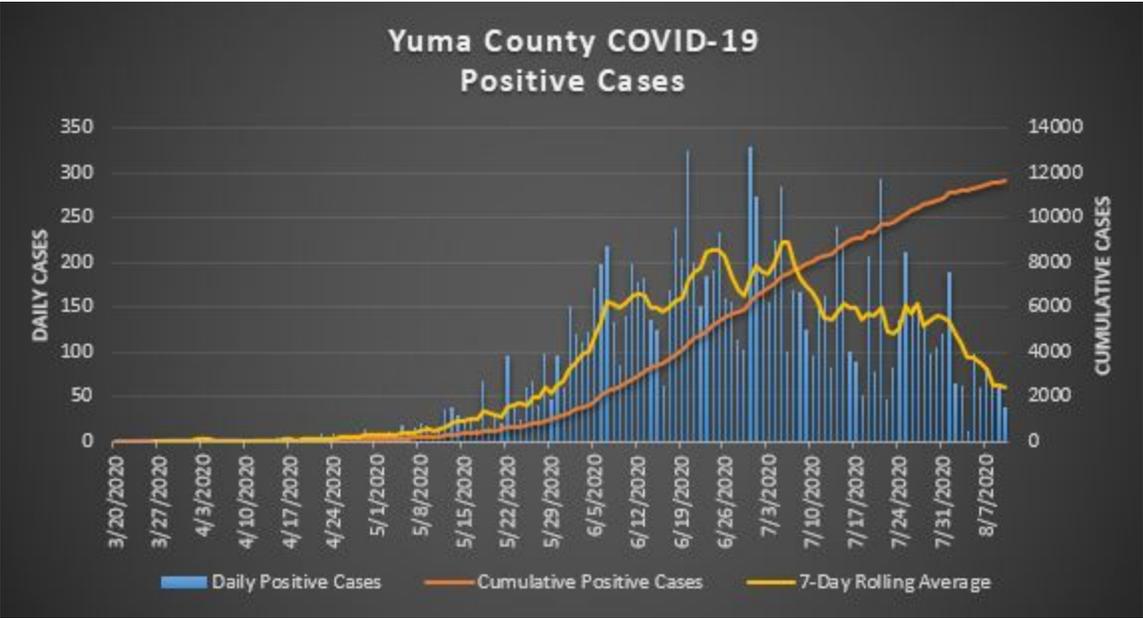

NOTE: Five (5) previously reported deaths have been found to be non-residents of Yuma County. This accounts for the number of deaths in our graphic dropping to 290.

- Arizona currently has 188,737 confirmed cases of COVID-19, resulting in 4,199 deaths
- Yuma County currently has 11,653 confirmed cases of COVID-19, resulting in 290 deaths
- Currently 56,470 Yuma County residents have been tested
- Currently 56 Yuma County Residents are hospitalized AS OF 8 am 08/11/20; *please note the hospitalization numbers offer an accurate “snapshot” at the time of our daily update, but numbers may fluctuate throughout the day*

Data is provisional and subject to change:

Question of the Day: How can I manage anxiety and stress? (Source: Centers for Disease Control and Prevention)

- The COVID-19 pandemic, and the fear and isolation that often come with it, can be overwhelming to adults and children. You may worry about your health or financial situation, and may experience changes in sleep or eating patterns, worsening of health problems, including mental health problems, or increased substance use.
- Finding a healthy way to cope with stress will make you and the people you care about, stronger. Some of the best ways to cope with stress are:
 - Know what to do and who to contact if you get sick.
 - Take care of your emotional health.

- Take breaks from watching, reading, or listening to news stories.
- Exercise regularly, eat healthy meals, and get plenty of sleep.
- Connect with others in a safe way.
- More information on how people react to stress, how to cope with stress and anxiety, and what to do in an emergency is available from the CDC at [Coping with Stress](#).

Yuma County health officials confirm “community spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

JOINT INFORMATION CENTER (JIC) UPDATE

NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.

Questions from the public can be emailed to: COVID@yumacountyaz.gov

These questions will be collected, categorized and answered through the DAILY UPDATE and a future DAILY LIVE program on YUMA 77 & Yuma County Government FACEBOOK LIVE

CITY OF YUMA

City Hall and other facilities normally offering public access will open Wednesday, July 29 on the following schedule:

- Tuesdays and Thursdays: 8 a.m. to 3 p.m.
- Wednesdays: 8 a.m. to 5:30 p.m.

For the time being, city facilities will remain closed Mondays and Fridays.

Facial coverings are required of all visitors as well as city employees. Visitors should also observe social distance from others.

Marine Corps Air Station Yuma

Effective April 6, 2020 and until further notice the Trusted Traveler Program is cancelled. This is an additional safety measure that #MCASYuma is taking in order to help stop the spread of #COVID19.

What this means is that essential personnel that do not have common access card (CAC) and Department of Defense (DOD) identification cards are not authorized to come aboard the base without going to the Pass and Registration office and obtaining a base access pass. Essential personnel may obtain base access by providing the appropriate paperwork to the Pass and Registration Office during working hours.

ALL VISITORS will be required to provide justification for needing access to the installation and will not be granted access to the base simply because they know someone that has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

As of April 6, 2020, sponsoring a visitor aboard MCAS Yuma that does not have a CAC or DOD identification card is strictly prohibited unless approved at the Pass and Registration Office.

YUMA PROVING GROUND

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- *YPG residents, including Travel Camp residents
- * YPG employees
- * Civilian contractors who work at YPG
- * Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

PUBLIC is urged to follow on [FACEBOOK](#) & [TWITTER](#) as well as sign up for [Yuma County eNOTIFICATIONS](#)

DON'T FORGET!!!! THE JOINT INFORMATION CENTER REMINDS EVERYONE that while you're at home REMEMBER it is easy to respond to the [CENSUS ONLINE!!!!](#)
